Come and join us for the PKF Walcha Road Ride Challenge, a great annual road ride held as part of the Walcha Mountain Festival. The Walcha Mountain Festival is a great weekend of music, local produce and fun. The 75 kilometre PKF Walcha Road Ride Challenge is exactly that - challenging - with a few big steep hills to separate the wheat from the chaff. Following on from last years interest is the option of a 56km "Inner Loop", that gives riders the option of scaling it down a little.

Both the 75km course are generally undulating with the major hill occurring after Walcha Road, climbing 140m at an average gradient of 7%. This is an achievable course for anyone who feels confident with the distance, and a challenge for those who want to give it a go. See you there!
